TO THE PEOPLE:
FUELING THE REVOLUTION FOR ENERGY JUSTICE
Energy justice in
WEST VIRGINIA

NAACP's West Virginia State Area Conference

West Virginia Branch

- Participating in the Renew Jefferson Energy Task Force.
- Attended the public hearing and drafted comments on the Pleasants Coal-Fired Power Plant Transfer.

Jefferson County Branch

- Taking a stance against environmental issues that disproportionately affect low income neighborhoods and communities of color.
- Issued a statement in response to President Donald Trump’s decision to withdraw from the Paris Climate Agreement.
- Investigating environmental issues in the Eastern Panhandle, including polluted drinking water, brownfields locations, electric rate increases on low-income communities and the development of a low-cost renewable energy economy in Jefferson County.
