Re: 2017 Resolutions

---

Attached hereto are resolutions which were considered by the Resolutions Committee on May 9 – 11, 2017, pursuant to Article IX, Section 9.b(1) of the Constitution of the National Association for the Advancement of Colored People.

To assist our members in receiving the packet expeditiously, last year was the first year that we distributed the 2016 Resolutions packet via electronic mail and regular mail. This year we will follow the same procedures.

Delegates to the 108<sup>th</sup> Annual NAACP Convention will act upon these resolutions beginning Tuesday, July 24, 2017. Upon ratification by the National Board of Directors, at its October 2017 meeting, the Convention's action will become the official policy of the Association.

If you have questions, please feel free to call Lanita Ross at 410-580-5795. Thank you.
