## **ACTION ALERT**

**DATE:** December 1, 2017  
**TO:** Concerned Parties  
**FROM:** Hilary O. Shelton, Director, NAACP Washington Bureau

### **URGE CONGRESS TO PASS THE “DREAM” ACT AND PROTECT HARD–WORKING AMERICANS AND CHILDREN BEFORE CHRISTMAS BREAK**

***S.1615/HR.3440 WOULD HELP AS MANY AS 1.7 MILLION LAW- ABIDING,  
YOUNG PEOPLE STAY IN THE U.S. IF CONGRESS ACTS BEFORE PRESIDENT  
TRUMP’S ORDER TO DEPORT THEM HAPPENS***

#### **THE ISSUE:**

On September 5, 2017, U.S. Attorney General Sessions announced that as of March 5, 2018, the Trump Administration would formally terminate the *Deferred Action for Childhood Arrivals*, or “DACA” program which President Obama had initiated and the NAACP supported in June of 2012. The program allows some individuals who entered the country as minors without documentation to receive a renewable two-year period of deferred action from deportation and eligibility for a work permit. As of 2017, approximately 800,000 individuals – referred to as “DREAMERs,” after legislation known as the DREAM Act (the “Development, Relief and Education for Alien Minors” Act) – were enrolled in the program created by DACA. DREAMERs originate from all parts of the world including Africa, Asia, the Caribbean, Central and South America, and Europe, and currently live in every state in our nation.

President Obama’s decision to initiate the DACA program came after the Congress failed to address this crucial issue. The *DREAM Act* was first considered by Congress in 2007. Since that time, it has been brought to the floor of the United States Senate at least three times, yet it has never made it to becoming law.

It is now up to Congress to help the “DREAMERs.” The *DREAM Act* has once again been introduced with strong bipartisan support in the U.S. Senate (S. 1615, by Senators Lindsey Graham, SC, and Richard Durbin, IL) and in the US House (H.R. 3440, by Congresswomen Lucille Roybal-Allard, CA, and Ileana Ros-Lehtinen, FL). The *DREAM Act* would allow these young people to earn lawful permanent residence and eventually American citizenship if they: are longtime residents who came to the U.S. as children; graduate from high school or obtain a GED; pursue higher education, work lawfully for at least three years, or serve in the military; pass security and law enforcement background checks; pay a reasonable application fee; demonstrate proficiency in the English language and a knowledge of United States history; and have not committed a felony or other serious crimes and do not pose a threat to our country.

Despite the fact that DREAMERs are often portrayed as being Latino, they originate from all over the world. Most of them know no other home than the United States. Regardless of their skin color or country of origin, though, they could all face deportation if Congress fails to act. Congress has had almost three months to resolve any outstanding issues facing the legislation, yet no action has been taken. Congress must pass the *DREAM Act* before it leaves for Christmas break. It is immoral and repugnant to play politics with anyone’s life, especially a young life.

### **THE MESSAGE**

- The *DREAM Act* would allow as many as 1.7 million young people earn lawful permanent residence and eventually American citizenship if they: are longtime residents who came to the U.S. as children; graduate from high school or obtain a GED; pursue higher education, work lawfully for at least three years, or serve in the military; pass security and law enforcement background checks and pay a reasonable application fee; demonstrate proficiency in the English language and a knowledge of United States history; and have not committed a felony or other serious crimes and do not pose a threat to our country.
- The rescission of DACA is inconsistent with this nation's highest values and contrary to what most Americans believe. Passage of the DREAM Act would restore morality to our political process.
- It's time for Congress to make a choice: stand with the people and pass the DREAM Act or stand on the wrong and immoral side of history.

The Honorable \_\_\_\_\_  
United States Senate / House of Representatives  
Washington, D.C. 20510 / 20515

**RE: SUPPORT FOR THE *DREAM ACT*; SUPPORT S. 1615 / H.R. 3440**

Dear Senator / Representative \_\_\_\_\_;

As your constituent, I strongly urge you to support the immediate enactment of the *DREAM Act*, S. 1615 / H.R. 3340. Passage of the *DREAM Act* would reverse the cruel, short-sighted decision by the Trump Administration to end the Deferred Action for Childhood Arrivals, or *DACA* program and in doing so give hope to an estimated 1.7 million people who have lived lawful, solid lives in the United States.

The *DREAM Act* would allow as many as 1.7 million young people, including the almost 800,00 *DACA* recipients, earn lawful permanent residence and work towards American citizenship if they: are longtime residents who came to the U.S. as children; graduate from high school or obtain a GED; pursue higher education, work lawfully for at least three years, or serve in the military; pass security and law enforcement background checks; pay a reasonable application fee; demonstrate proficiency in the English language and a knowledge of United States history; and have not committed a felony or other serious crimes and do not pose a threat to our country.

*DACA* has been extraordinarily beneficial, allowing nearly 800,000 individuals in the United States to live, work legally, and contribute to the only country most of them have ever known. As their buying power increases so do jobs across the U.S.; almost 55% of *DACA* recipient purchased a car since the program began, and more than one-in-ten bought their first home.

Thus, I am asking you again to support immediate passage of the *DREAM Act* before Congress adjourns for the Christmas break and it is too late. The decision to revoke *DACA* is inconsistent with this nation's highest values and contrary to what most Americans believe. It's time for Congress to make a moral choice: stand with the people and pass the *DREAM Act* or stand on the wrong side of history. Please contact me in the near future to let me know what you are doing on this issue and what I can do to help.

Sincerely,

(sign and print your name and
